

Timber Ridge School enhances Career & Technical Training

In Career and Technical Training, students of Timber Ridge School have the support and opportunity to prepare for employment from trades to professional positions. Students can earn specialized certifications which allow them to be more competitive in the job market, better prepared to enter the workforce, and successful on the job.

All Timber Ridge School students participate in the following:

- ◇ Vocational assessment & career planning—developing a career track plan
- ◇ Economics & financial literacy—receiving a *Financial Literacy certification* from W!SE (Working in Support of Education)
- ◇ Workplace readiness—receiving *Workplace Readiness certification* from the Commonwealth of Virginia Career Readiness Program.

In the traditional classroom setting, Timber Ridge School offers:

- ◇ Structural Design *—electrical, welding, plumbing, carpentry, & small engine
- ◇ Animal Sciences * — animal care, management, health and nutrition, reproduction, & evaluation
- ◇ Natural Resources * — air, water, soil, forest, energy conservation, & wildlife identification
- ◇ Agricultural Science & Technology *
- ◇ Health/PE—*Red Cross First Aid/CPR/AED certification*
- ◇ Business & Information Technology—*Microsoft Computer Specialist certification*

* Students earn a *Career Readiness certification* from the Commonwealth of Virginia Career Readiness Program.

Through cooperative education work experiences *on-* and *off-*campus , Timber Ridge School offers:

- | | |
